Vignette 1 – IDIV Early Entry/SSC Focused
D-4 – D+30

Situation:

IDIV(-) deployed as part of a UN sanctioned, US led military force to assist the Greenland Government in stabilizing the country and deterring Redland's threat of offensive action.

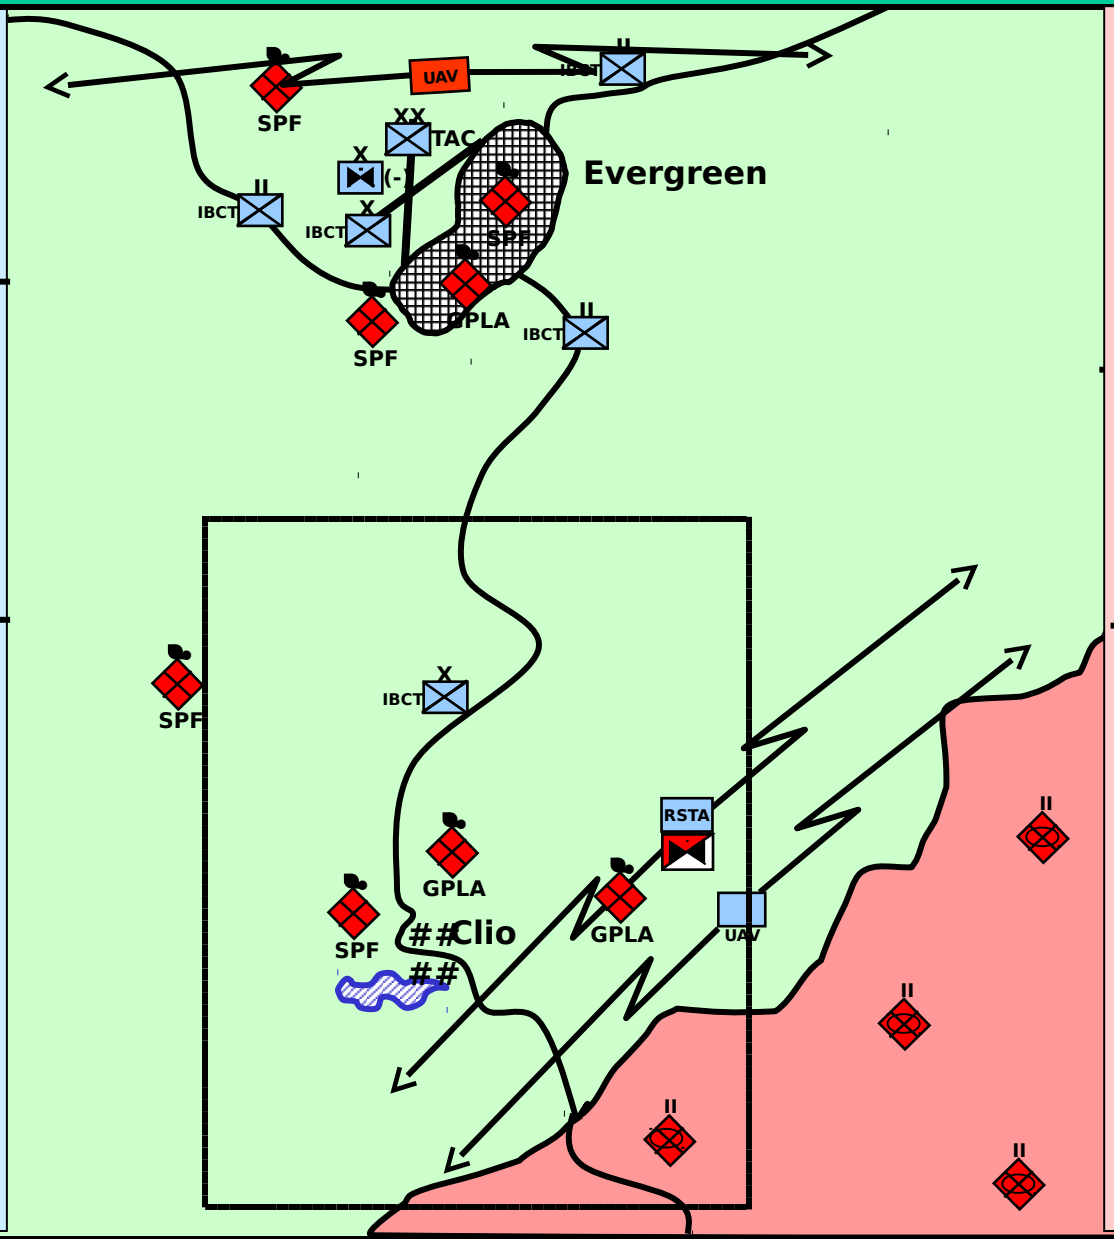
Task & Purpose:

Secure the APOD to allow for the introduction of follow-on forces as necessary and to conduct reconnaissance and security operations to detect, identify, and track Redland forces operating in Greenland

Task Organization:

IDIV (-)
- Div TAC
- IBCT X 2
- 3 x Inf Bn
- 1 x RSTA Bn
- 1 x Arty Bn (155)(SP)
- 1 x BSB
- 1 x AT Co
- 1 x Engr Co
- 1 x MI Co
- 1 x Sig Co

AVN BDE (-)
- 1 x MFB
- 1 x UAV Co



Situation:

Redland has deployed SPF into Greenland to: conduct ambushes and direct attacks throughout Greenland, disrupt APOD/SPOD operations, continue assassinations, reconnaissance and targeting of friendly high value assets, identify, train and assist anti-Greenland factions in destabilizing the country, infiltrate urban areas to facilitate future operations. Redland Army elements infiltrate across the border to deceive friendly forces and disperse combat power.

Task & Purpose:

Establish IO campaign to discredit US capabilities and influence US public opinion, Conduct Direct Action to disrupt US/friendly capabilities

Destabilize the pro-US government

Target friendly HVT

Vignette 1 – IDIV Early Entry/SSC Focused
D-4 – D+30

Situation:

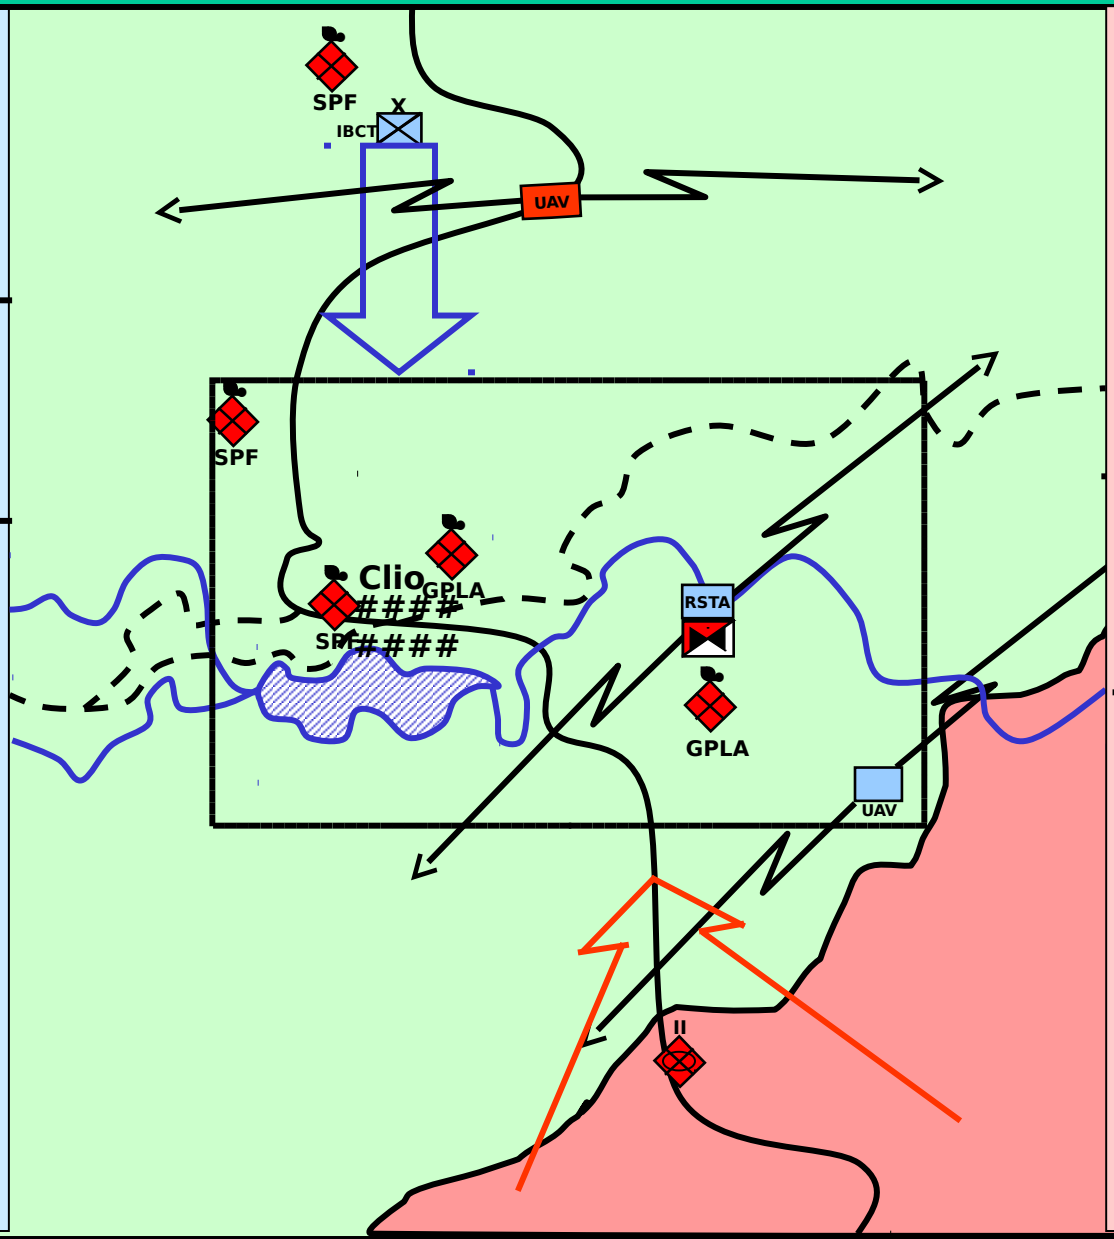
Joint intelligence has indications of a Redland Bn moving with the apparent intent of crossing the International Border. The IDIV CDR has deployed one of his IBCTs to counter this threat.

Task & Purpose:

Attack and defeat the Redland Bn crossing the border. Force Redland Bn back across the international Border.

Task Organization:

IBCT
- 3 x Inf Bn
- 1 x MFB (OPCON)
- 1 x RSTA Bn
- 1 x Arty Bn (155) (SP)
- 1 x BSB
- 1 x AT Co
- 1 x Engr Co
- 1 x MI Co
- 1 x Sig Co



Situation:

Elements of a Redland mechanized infantry Bn are interdispersed with civilian traffic and moving along several MSRs to Evergreen to establish conditions for an attack of US forces, a possible follow-on attack, link up with elements of the SPF and Greenland People's Liberation Army (GPLA), and to test the US resolve in the region. The battalion's orders are to move as far north as possible without becoming decisively engaged but ensuring the movement of US forces toward the border area. SPF and Greenland Peoples Liberation Army have created unrest in Clio.

Task & Purpose:

SOF and GPLA locate friendly FAARPS,radars, C2 nodes and MRLs and attack with direct and indirect fires, force civilians to flee along IDIV routes, ambush RISTA units to deny situational awareness.

Draw US forces to the border area into established helicopter and anti-tank ambushes to inflict unacceptable casualties., Attack to assist in destabilizing the pro-US government,
